Description:

The MassDEP NRD Program seeks Grant Applications for restoration projects in the Mystic River Watershed that will restore, replace, and/or acquire the equivalent of natural resources or natural resource services relating to resources and resource services that were injured by release(s) of fuel oil from or at the Global/Irving Terminals and Lawrence Memorial Hospital. Proposed restoration projects must be located in the Chelsea and Mill Creek, Malden and Lower Mystic River watersheds. The Grant Announcement is open to all public and private entities, including but not limited to: private individuals, local, county, state, federal and tribal governments; academic institutions, non-profit organizations; consulting firms; and businesses. The estimated value of the grant contract award is \$238,710. Multiple grants may be awarded. The duration of the grant is two (2) years, with two additional one-year renewal options for a

maximum grant contract period of four (4) years. Details regarding project eligibility and instructions for submitting a grant application are provided in the Grant Announcement and Application package. COMPLETED APPLICATIONS MUST BE SUBMITTED TO MassDEP BY 4:30PM ON WEDNESDAY MARCH 14, 2014. To obtain a Grant Announcement and Application package, contact Karen Pelto at 617-292-578 or by email at Karen.pelto@state.ma.us. This information is also posted on the MassDEP NRD Program website at <http://www.mass.gov/eea/agencies/massdep/cleanup/nrd/>. An Applicant's conference will be held at 10:00 a.m. on Tuesday, February 11, 2014, at the Chelsea City Hall, 500 Broadway, Room #306, Chelsea, MA 02150.
